## Mammoth Mountain GS/GS

Jan. 7-8, 2012

Due to lack of available terrain due to the scarce snowfall so far this season, Sierra at Tahoe is unable to host the races originally scheduled for Jan. 7-8.

Mammoth Mountain has graciously offered to host GS races. With reliable snowmaking and grooming on the race hills, Mammoth is able to put on ski races and we are glad to accept their hospitality.

**\*\*\*Please note start times and inspection periods.** Mammoth stepped up and was willing to add our races to an already-busy weekend, so our "usual" race-day schedule is being adjusted to accommodate the slots when we can have hill space and race crews for our events. We will be racing on Andy's Double Gold (ADG) both days, which has the best coverage. Inspection time will be shortened to a half-hour, but with easy access from Broadway Express (chair 1) there will be plenty of time for all competitors to have an adequate inspection – just be sure to plan your race day to be there promptly and make good use of the available inspection period.
