

## Far West Masters Ski Racing

### Mammoth Mountain Rick Conrado SG x 5 Jan. 20-22, 2012

The Far West Masters return to Mammoth Mountain in January for the Rick Conrado Memorial SG series on Jan. 20-22. Rick loved ski racing and speed events, so bring your biggest grins this weekend to celebrate his memory.

Friday opens with a SG training run then rolls into the first of 5 SG races over the 3-day event. Two of these races will be scored for the National Speed Series. This is a fabulous weekend for everyone looking for a chance to ski fast or tune up for the Feb. 2-5 Western Regional championships.

Mammoth is offering a special discounted group lodging rate for competitors – please see the organizer's race announcement for details.

**Open class competitors:** if you are competing for Open class season points (and you know who are!), please note that the two NSS races will be held using standard national masters rules, i.e., no OP class. The remaining 3 SG races will follow FW rules: you must ELECT PRIOR TO THE RACE if you wish to compete in Open class (no later than the day prior to the opening of the weekend event); WOP will run after all other women's classes and MOP will run after all other men's age classes.

#### Helmets are required for all disciplines!

*Competitors must be a current member of USSA and Far West Masters. New racers are welcome and may obtain an inexpensive one-time weekend competition license. Information about membership is available on our <http://farwestmasters.org> web site or by contacting [membership@farwestmasters.org](mailto:membership@farwestmasters.org)*

*Please keep in mind that weather and/or snow conditions may cause a change in the schedule. It's always a good idea to check with the race organizer or look for news updates on the Far West Masters web site at <http://farwestmasters.org> prior to attending a competition.*
