

## Masters Team 2022

This will be the 24th season for the Mammoth Masters Team. It is the top-notch competition program for US Ski & Snowboard Masters racers, FWRA club & league competitors in the nation. Geared towards the serious racer, training includes gate drills, training courses, video analysis, race preparation with timed training runs and inspection practice, skiing drills and free skiing.

Our professional coaching staff is very experienced and is using the latest world cup techniques and training equipment to get our athletes on their way to a winning season.

**Season long program**    \$ 3,100

Thursday - Sunday                      9:30 – 1:30 daily (times may vary depending on conditions)

The program starts Wednesday December 1, 2021 and ends Sunday, April 17, 2022. It includes the Masters Camp (December 1 – 3, 2021) in the annual team fee this year.

- A certain level of ability and competency will be required.
- Team size will be limited.

**Newcomers** to the program enter on a trial basis and are required to participate one of the two first scheduled weekends to determine their level of ability and competency for acceptance into the full program.

Please be prepared to follow all Covid 19 restrictions and policies at Mammoth Mountain
