

Far West Masters Ski Racing

2023-2024 Race Schedule

The tentative schedule for the 2023-2024 Far West Masters division series has been put together by scheduling director Mike Braun working with our race organizers around the Far West division. Scheduling is always a challenge and this season presents some unusual timing of traditional events in consideration of the FIS Masters World Criterium in March, a major event that only comes to North America every 5 years. A highlight this season is the Masters National DH Championship in our home division at Mammoth Mountain.
