From the President's Corner...

Roses to Mark Mirviss for pulling off the races at Northstar. He spent countless hours on the phone and sending e-mails, plus time going over to the area to check conditions with Todd Kelly. The result of all of this work was that everyone who raced had a great time. Not only that, a two-hour clinic on Saturday morning for those who wanted it, an extra "non-scored" race, and a lot of happy racers. Mark, thank you so much for all of your work!

Roses to Jan Mosher for hosting our "minus awards" party at Giovanni's when our Mammoth SG races were cancelled due to bad weather. Everyone had a great time with lots of good pizza.

Here's wishing a speedy recovery to the following: Rich Alpert, Charlene Braga, Ingrid Braun, Doug Fulton, and Chris Buttenberg. All suffered ski accidents that were pretty severe this past month.

Roses to Bill Skinner and his race crew for a great Western Regionals. These were races not to be missed at Park City. The race organization did a great job getting it off in a timely manner. The courses were set on challenging terrain, and though for the most part pretty icy, it did preserve the courses for those who ran late. Charlene Braga, Marcie Pettigrew, and yours truly made the Regional Team and were awarded jackets (pretty cool!). This year it was a four-event championship event with the addition of a Super Combi. Bill Skinner asked for a show of hands at awards of those who really liked Super Combi, and the vote was pretty evenly split.

With the reschedule of the SGs at Mammoth we still have a lot of racing to do, and as a result the season awards are still up for grabs. They are based on participation as well as top results.

Far West has only 6 racers going to Nationals: Bob Davis, Ara Papazian, Russ Probert, Don Smith, Buck Thys, and Deb Lewis. I wish you all good luck, and "go fast".

Don Smith will represent Far West at the National meeting. I have sent my thoughts to all attending. I feel that going East two out of four years is ruining our National program. We need to have Nationals in the center of our country, at the least, the Rockies. I have also proposed Mammoth, though I am not sure that is fair either. However, we have air service on a daily basis into Mammoth, and all sorts of activities for a non-skiing spouse: theatre, ice rink, health club and pool, free bus shuttle. If any of you can come up with a Tahoe area, I would love to present it.

Look for the summer meeting to be held in Mammoth this year, probably Memorial weekend. We've got spring skiing in the morning (greatest corn snow on earth), and golf and fishing for those who prefer these activities.

See you at the next race!

Thanks from scholarship recipients

Here are some more excerpts from thank you cards and letters sent to us by scholarship recipients.

From **Bryce Eller, first year J-2**, from Mammoth:

“...As my season comes to an end I find myself indebted to the many people who have helped me have such a successful year. It all started when I received a scholarship from you. When that happened, I realized that there were people out there who cared about kids who had a passion for their sport. Receiving financial support from the Masters was a huge help for my family and a big emotional support for me. I think knowing that there were people out there besides my parents and coaches who took the time and energy to invest in me, made me want to do my very best not only for myself, but to honor their commitment to me. This year was one of my best ever. I was named team captain and once again, I received the ‘Skier of the Year’ award. I made a ton of new friends, and most of all, I had fun...Thank you again, Bryce Eller”

First year J-1 Shannon Conroy writes... “Thank you so much for allowing me to be a part of your scholarship program for the last three years. Your generous support, friendliness, and undying love for the sport has made a great impact on me. I also wanted to thank you for inviting me to Colorado this year. It was great to meet the people that make up FW Masters. I enjoyed talking to and meeting many new people...Thank you again for all that you have done for me, Shannon Conroy”

And from Diamond Peak’s **Lila Lapanja, a second year J-3**... “Thank you so much for the scholarship money. I am so excited to go rip up the courses! Good luck to all the Masters. Have a great ski season! Again, thank you. Sincerely, Lila Lapanja”

FWM is very proud to support this program, which so far has raised over a quarter of a million dollars for our young athletes. If you are interested in helping out, contact Eddie Mozen at 530.581.4523, or e-mail mozen@concentric.net

Please Vote!

If you haven't already voted at our General Membership meeting (held at Alpine Meadows on 3/7), you'll find your ballot to elect your board of directors on our website. There are 5 positions to be filled: VP Membership, VP Communications, and VP Scheduling, and two new positions. The Board has been discussing Board reorganization, and at the fall meeting we temporarily added two positions, and are seeking to continue these positions until our reorganization has been fully discussed. These are also on the ballot.

Please complete your ballot (print it off), note your bib number in the return address corner, put a stamp on it, and mail the ballot to Gaet DeMattei as noted on the ballot. If you are receiving your Forerunner electronically, do the same. If you are "techy" enough to know how to retrieve it as an electronic document, then you can probably figure out how to edit it and send it electronically to Gaet.

Thanks to our nominating committee (Gaet Demattei, Don Smith, and Sam Crowell), and to Gaet for putting the ballot together!

Charlene Braga braves the conditions at Park City, skiing to a spot on the Regional Team.
Congratulations Charlene!

Board Decision Update: National Age Classes

The Board of Directors voted, at its March 7 meeting at Alpine Meadows, to institute the National Age Classes in the 2009-2010 season. This means that Far West Masters will have 5-year age classes, consistent with the National Masters age classes. The board takes very seriously our members' feedback, much of which has been received via member surveys, as well as comments and discussion. For the complete summary of Board of Directors discussion on this issue, please view the minutes of the March 7, 2009 meeting posted on the FWM Website: www.farwestmasters.org.

Western Regionals Report

By Sandy Hogan

Park City Ski Resort did an excellent job of putting on a four-event Western Regional Championships, in spite of weather conditions that varied from sunny, to flat light, wet snow, fog, and occasionally somewhat clearer skies. The resulting “hard pack” was firm (or slick, depending upon your outlook), presenting all of us with challenging conditions.

The first two days of racing were on Payday, with a sunny Super-Combined on day one, followed by a Super G on day two. With mid-slope clouds and fog, the SG race finally got off after noon when the visibility improved a bit. The next two days moved over to the Eagle Race arena, with the GS run on CB’s, a very steep, long, and firm pitch. The slalom took place on Picabo’s, also steep and firm on the top, sharing the same run-out with CB’s. This made inspection interesting, to say the least, as while we older folks and women were inspecting, the younger men were racing, and vice versa.

All in all, Far West racers skied well in some very competitive races, and some even came away with the coveted race vest...congratulations to **Marietta, Marcie Pettigrew, and Charlene Braga** for winning the combined for their class! Others in the running for the combined (taking second or third) were **Ara Papazian, Erick Northrup, Gaet Demattei and Buck Thys, Peter Feldenheimer, Jim Dugan, Jan Mosher, Sandy Hogan, Deb Lewis, and Danka Sarkanyova.**

Right – A racer launches from the start at Park City. For a comprehensive look at the on-hill action and the après-ski atmosphere, check out Sasha Glushenko’s amazing collection of photos at <http://picasaweb.google.com/aglushen> . He has diligently taken thousands of photos this season (and last) and posted them for us all to view on his Picasa website.

Mammoth SG’s Rescheduled!

The January SG’s, cancelled because of snow have now been rescheduled for March 27-29 at Mammoth. Friday will feature a training run and one race, followed by two SG’s on Saturday, and a Sunday SG (and Slalom) for those who wish to compete in a Super Combined. Check the Far West Masters website (www.farwestmasters.org) to print out your entries.

Even though the January SG’s were cancelled, there was a great party at Giovanni’s Pizza on Sat. night for the would-be racers. Thanks go to **Jan Mosher**, who picked up the tab for the party!

Way to go. Jan!
