**Masters Ski Racing Series
of the Far West**

Left Peter Feldenheimer (M70), who brings his A-game to every race, blisters the Mt. Rose GS course on his way to a 2nd place finish in the race, and winning his class this season.

Right Ara Papazian (M40/MOP) engaged in his *modus operandi*: giving it his all.

Below Paul Laudenschlager (M50) is totally focused, en route to a Bronze finish in the Mt. Rose GS.

Thanks to Tom Compton for the cover photo and many of the other photos throughout this Forerunner edition. For more information and to see all his work at our Mt Rose race, please visit the website at: <http://www.thomascompton.com>

And as always, thanks go to Sasha Glushenko for all his photo work this year.

Please thank both these Far West members for their efforts.

From the President's Corner...

The 2008/2009 race season turned out to be great, but it could not have happened if not for a wonderful group of volunteers! We have to start with **Rees Palermo** who worked really hard last spring to put our schedule together. **Marcie Pettigrew** kept our membership records, **Elizabeth and Mike Kennedy** for all their work as race coordinators and newsletter editors, **Mark Smallhouse** for paying our bills, **Don Smith** for assigning officials to our races and to all his volunteers, **Deb Lewis** for keeping our website really interesting and up to date and for all the calculations and race results, **Sam Crowell** for helping me in my many times of need, **Sandy Hogan** for keeping our minutes, **Mark Mirviss** for working hard rescheduling our weathered out races, **Gaet DeMattei** for heading up our nominating committee and most of all, all of the above for steering our organization in the right direction. Thank you all so much, and also to the incredible volunteers that were too numerous to mention in this short newsletter. It takes a lot of organization to put this together.

Thanks to our sponsors, **Granite Chief** and **Lausman Lumber**. Also to **Mike Braun**, and **Dynastar Lange** for all the products he donated. To **Footloose** for their early season party and support. Please see these guys when you need anything.

We had a wonderful year-end banquet, thanks to the efforts of **Sam and Linda Crowell**. It was definitely a step up with both food and ambience.

We are now looking forward to the 2009/2010 season. It has been voted we go to National-International 5 year age classes. The Nationals will be held in Sun Valley during the last week in March and the Western Regional in Park City end of January.

Finally, congratulations to all the season winners. A special note to **Pierre and Julie**, who raced in all 19 races! I challenge everyone to match that record next year.

Sunday River National Championships

By Sandy Hogan

Only a handful of FW Masters made the trek to Sunday River, Maine to compete in the National Championships, but those few made their mark!

In the Downhill, **Marietta Frinell** and **Deb Lewis** competed, with Deb having two of the fastest training times, followed by a crash in the DH race, resulting in a hand injury. Marietta gained a gold in the DH, and also took the gold combined, while Deb went on to take gold in the SG, silver overall in her class, and both made the Spyder National Masters Team.

Bob Davis, competing in a tough class, took 3rd overall with solid runs in GS, SG, and Slalom. **Ara Papazian** took gold with the fastest SG time, and **Don Smith** took a bronze in the downhill, and completed all of his races, finishing (4th?) overall in his class. **Buck Thys** and **Russ Probert** also competed well in their classes.

Next year's National Championship will take place in Sun Valley, Idaho, from March 28 to April 1. The 4th event will not be a downhill, but a super-combined. The National Downhill Championship is currently scheduled to coincide with the Aspen Downhill (on Tiehack Mountain), during the month of February. For those of us who enjoy downhills, the separation (in time and place) from the traditional National Championships is a real downer. I hope that future Nationals will return to our traditional format.

The Western Regional is scheduled to return to Park City in late January.

Scholarship Recipient Updates

Dylan Murtha, a 2nd year J3 from Sugar Bowl, writes:” ...Thanks to the Masters you helped me make it to JO's. In this rough economy your support is really, really helpful! I appreciate everything you and the Masters have done to help me out. We have some of the best skiers in the country skiing in Far West so I feel pretty good and I know I can do better. The camp in Colorado really set me up for a great start... Thanks Again, Dylan Murtha”

Thomas Robles- 2nd year J3 from Squaw Valley, won 2 of 3 events at the Junior Olympics. As a result, he won a trip to the Whistler Cup. Earlier in the season, he wrote: “I would like to especially thank you for the extra support...received from the Masters. With this extra support I am able to attend the NDS camp offered to the top five boys in the nation.”

Grace Dolan, a 2nd year J3, skis out of Sugar Bowl, attended the Topolino Shootout with our support, and had a top 5 slalom result. This note came from her mom: “Grace just checked her email and told me that the Masters have awarded her another \$300.00 for the Junior Olympics!!!! I am so thrilled it will help us with her lodging expenses!!! This is so incredible and we are truly honored and blessed to receive such help from the Masters...Wow, this is such exciting news... Many thanks to you and each and every Master for helping young ski racers such as Grace follow their dreams. Sincerely, Jain Dolan (mom)”

Alexa Wehsener, a 1st year J3 from Mammoth, writes: “Thank you so, so much for this scholarship. It will be a huge help with my racing expenses. It was so much fun to talk at your race a couple of weekends ago. I felt very comfortable around the Masters, and I enjoyed my conversations with them.”

FWM is very proud to support this program, which so far has raised over \$300,000 for our young athletes. If you are interested in helping out, contact Eddie Mozen at 530. 581.4523, or e-mail at mozen@concentric.net.

Summer Board Meeting

Our summer Board meeting is scheduled for July 11, 2009. A primary agenda topic will center upon how to make improvements to our program, so as to attract new (and returning) members to race with us. The agenda, time, and meeting place will be posted on the FWM website, as well as directions to the meeting site. All members are invited to attend and take part. We appreciate knowing if you plan to attend, so that we can plan for any additional refreshments, so please contact Sandy Hogan at: 760.924.2034 or by e-mail at: sandyghogan@verizon.net.

National Age Classes

As a result of continuing discussions by the Board and membership, and input from members in a survey over a two-year period, the Board voted at its March meeting to institute the National Age Class (5 years) starting in the 2009/2010 season. This will align us with the other regions, and hopefully increase racer starts by encouraging new racers, while retaining others, especially in the already large men's classes.

David Gould, Sugar Bowl

USSA Temporary Licenses

Starting next season, the USSA Temporary License will be applicable for one weekend only, rather than two as it has been up to now. The license is an excellent introduction to USSA Masters racing, and the \$25 cost is applied to the full USSA license if the temporary racer decides to race additional Masters races. Please make your friends aware of this opportunity to try out a FWM race.

Mammoth SG's

The rescheduled MMSA SG's (cancelled because of January snow) finally took place March 27 and 28. The SC, scheduled for the 29, was blown out by heavy winds and low visibility. However, the training run, plus three SG's, took place in fabulous race conditions, including sunshine! Following the Saturday races, another great after race party was held at Giovanni's. A large part of this party was hosted by **Randall Sussek (Thanks, Randall!)**.

Election Results

At our General Membership meeting (held at Alpine Meadows on 3/7), and by mail-in ballot, the following Board positions were filled:

- VP Membership – Marcie Pettigrew
- VP Communications – Ingrid Braun
- VP Scheduling – Mark Mirviss

Also, two additional positions were elected:

- Officials – Don Smith (1 year)
- CTO/Webmaster – Deb Lewis

The Board has been discussing Board reorganization, and at the fall meeting we temporarily added the last two positions, giving the Board a membership of nine. Most terms are for two years.

Thanks to our nominating committee (Gaet Demattei, Don Smith, and Sam Crowell), and to Gaet for putting the ballot together, and thanks also to outgoing Board members **Elizabeth Kennedy and Rees Palermo** for their dedication and service to FWM as Board members!

End of the Season Wrapup by Sandy Hogan

FWM ended the season with three great races at Mt. Rose (on the "Slide Side"), and a great banquet at "The Chateau", at the Championship golf Course at Incline Village, NV. At the banquet, the "leader bibs" went to: **Kurt Belden, Erick Northrup, Ara Papazian, Pierre Jeangirard, Patrick McIntyre, Chris Probert, Eric Van Stralen, Matt Savage, Mike Braun, and George Crown.** The women receiving bibs were: **Leisl Panke, Julie Rolfe, Sandy Hogan, Marcie Pettigrew, and Elizabeth Kennedy.**

The races featured sunny, though chilly wintry weather and challenging courses on Friday and Saturday, and a wonderfully sunny, fun dual GS race course with horse gates and lots of fun on Sunday. Five teams of 6 each competed, and as usual, Eddie's match-ups resulted in most of the races going down to the wire. **Eddie**, you have a real talent for setting up spectacular matches. After the "official" race, there were a number of "grudge matches", including father/son races, friends, and similar. The winning teams were awarded waxes from Holmenkol, and the third place team received medals. We had a number of FW Masters who had never raced this type of event before (dual GS), and really loved the head to head format.

Thanks to **Mt. Rose** for another great McKinney Cup, continental breakfasts and wonderful parties, and for a fabulous dual GS wrap-up. Thanks also to **Brian Smith** for working with sponsors who donated 3 cases of beer, and of course to **Rees Palermo** for his close coordination with Mt. Rose and **Chuck's** race department to make it all happen.

Thank You
