## Mid-Season Race Results Inside!

Far West Masters after Season Opening Races  
at Mammoth Mountain

## From the President's Corner...

February 24, 2011

Greetings from beautiful Squaw Valley! We have just completed another cycle of storms that dumped eight feet of snow on our valley and specifically on my house. As I am writing this, we are trying to decide if it is feasible to race at Northstar and Squaw this weekend.

On that note a quick reminder, I start getting phone calls about a week in advance of races wanting to know if the race is on. These questions come about because of storms being in the weather forecast. As a rule, we don't cancel races due to weather forecasts. As a pilot, I can safely tell you that long range forecasts are not very accurate. In my experience, most winter forecasts of over 48 hours are less than 50% accurate. That said, that does not mean the forecast will be wrong, it just means that it is not a good idea to cancel races based on long range weather forecasting.

On a lighter note, two weeks ago I attended a meeting with the new CEO of Squaw Valley, Andy Wirth. I have been asked by many of you if the new ownership of Squaw will affect ski racing. I'm pleased to say that it will.

Andy stated that it is his desire to hold more races, create racing/training specific hill space and lifts. He is also the person that stated Squaw will be a NASTAR participant for the first time since 1979, and he made that happen. Squaw is also planning on putting snow-making on Exhibition over this summer.

We all need to thank Mammoth and the weather gods for putting on a great week of races during Regionals.

Thanks,  
Mark Mirviss

## Passing of Dave Smith

December 11, 2010

The Far West Masters lost a valued member, and I lost a friend this last week. After a two year battle with brain cancer, Dave Smith died in Sacramento last week. I first met Dave in New Zealand as our skiing trajectories briefly crossed. I was leaving ski racing and becoming one of the freestyle yahoos while Dave was starting to seriously polish his ski racing skills. Twenty years and an ocean later our

paths crossed again – we both had sons doing Tahoe League races. A few years later I tried my hand at Masters racing and Dave's times would routinely remind me who was the better ex-New Zealand ski racer. Dave was a gifted and dedicated pediatrician. He is survived by his wife Cookie, son Tim and daughters Rebecca and Stephanie.

## Passing of Rick Conrado

It is with unbelievable sadness that we report the sudden death of one of our members, Enrique "Rick" Conrado, on December 28, 2010. Rick fell ill right before our season opening races in Mammoth. Believing he had the flu, he stayed off the hill that weekend and eventually sought treatment when his symptoms did not improve. Rick had blood clots on his lungs, for which he received immediate treatment. He returned south to his home in West Covina where he continued treatment, but he died from complications of pneumonia.

Rick embodied the spirit of Masters ski racing. Ever encouraging and with a ready smile, he raced with enthusiasm and supported his fellow competitors. Rick was our best friend, and Mike and I miss him more than could be imagined. I still look for him on the hill and think of him every day. Rick is survived by his wife Veronica, her children Chris and Lizzie, and his many, many friends.

### Editor's Note

I'm sorry it took me so long to get this finished. Some of you may have been wondering ... "Where the heck is the ForeRunner? Shouldn't one have come out by now?" To answer that question, I had the layout done for a long time, but I couldn't bring myself to write about Rick Conrado. It just hurt too much to put into words, so I didn't compose anything. However, I couldn't publish the newsletter without honoring him. Hence the delay. So this newsletter covers through Regionals, and the following races, Nationals and Season Finals will be in the next one.

## Board Positions up for Election

At our Season Finals, we will hold our Member's Meeting. One of the agenda items will be Board Member elections. Please contact any one of the board members if you are interested in running for open positions.

Ski Racing Magazine covered the races and gave us a three page spread in their February 17<sup>th</sup> issue. The Ski Racing articles not only provided a synopsis of the races, they also prominently featured our fine Far West athletes: Pierre Jeangirard, Matt Savage, Mike Braun, Deb Lewis and Julie Rolfe. I was honored to write two articles for the magazine, one about Matt Savage and another extolling the performance of Mammoth Mountain Race Department. If you haven't seen it, check it out!
